Digital, paper or internet based works can be submitted.

Portfolios are reviewed on the following **qualitative measures**: aesthetic awareness, composition, drawing, design, color perception, spatial perception, quality of presentation, technique and originality.

RESULTS

In the global evaluation, NABA will take into account the applicant's interests and aptitudes for advanced studies and potential for success at NABA BA program and the related professional role. The lack of specific preparation in some of the subjects that are part of the admission test, due to the different educational background that a student might have, will not result in prejudice to the final admission, on condition that the vocational elements have been positively assessed.

Once the assessment is complete, you will receive a feedback about the final result within 5 working days. If the result is positive, the admission letter will be issued and sent to you.

NABA may offer you a conditional admission if you do not have yet submitted the language certificate, copy of your diploma and Declaration of Value (the last one only for BA applicants).

A. SUBMIT THE PRE-ENROLMENT FORM (A BIS FORM) - (NON EU STUDENTS ONLY)

The pre-enrollment will give you the possibility to study at NABA and allow you to obtain the study VISA from the Italian authorities. Students are asked to fill in a form called A-Bis (available at the Italian Embassy/Consulate or in their website) within a specific deadline, which varies according to the yearly guidelines provided by the Italian Ministry of Education (Pre-enrolment sessions are usually scheduled between May and June of each year).

Make sure you do not miss this deadline or your will be refused your study visa for enrolment to Italian Universities/Academies.

B. OBTAIN THE DECLARATION OF VALUE OF THE HIGHER SECONDARY SCHOOL DIPLOMA

The Declaration of Value (Dichiarazione di Valore in Loco) is part of a process called "PERFEZIONAMENTO DOCUMENTI", necessary for all students who have gained a high school diploma different from the Italian one called Maturità, and which consists in:

1. TRANSLATION INTO ITALIAN - MADE BY A CERTIFIED TRANSLATOR - OF YOUR ORIGINAL HIGHER SECONDARY SCHOOL DIPLOMA (or substitute certificate) legalized by the competent authorities in the country where the diploma was issued.

2. "DICHIARAZIONE DI VALORE IN LOCO" (DECLARATION OF VALUE) OF YOUR HIGHER SECONDARY SCHOOL DIPLOMA.

The "Dichiarazione di valore in loco" is the document attesting that the study qualification you obtained is valid to study at Italian Universities/Academies as long as it proves:

- to be a final official title of the higher Secondary School of the foreign education system
- the study title allows to enter a graduate program which is comparable to the Italian BA Degree
- the study title is obtained at the end of a period of study lasting at least 12 years
- In case a national test or final exam is necessary to enter a higher education institution in the student's country of origin, such test/exam is also mandatory for entering Italian BA programs and should be reported in the DOV (Gao Kao and Yi Kao in China, YGS in Turkey, ...).

The legalized and translated documents, as well as the Declaration of Value will be issued directly to you. Please make sure you submit them to NABA International Admissions Office as soon as available.

In fact, your admission to NABA Bachelor of Arts Degree Programs will be confirmed only after you have completed the "perfezionamento documenti" and provided the Academy with the hard copy of your Declaration of Value and the requested language certificate.

8. ENTRY REQUIREMENTS FOR THE DIPLOMA PROGRAMS

The student willing to withdraw shall send a written notification containing name and surname, the address of the student, date and place, student’s signature; it will be considered termination date, the date when the written notification will be received. The written notification shall be addressed to: Nuova Accademia Srl – Via C. Darwin 20, 20143 Milano (MI).

2. If a student withdraws from the contract lawfully, he/she has the right to get a refund of all the payments made order to NABA.

3. NABA will activate courses only if a minimum of 10 participants will enroll (minimum nr. of students to activate an undergraduate program). If the number of 10 students will not be achieved, the course will not take place. NABA will promptly communicate to the student if a course will be run or not. NABA will inform students at least 30 days prior the beginning of the course whether it will not be run. In such event, NABA will refund the students in the shortest possible term. NABA is exempted by any extra costs incurred by students (i.e. travel, food, accommodation...) for the enrollment and admission process.

4. NABA reserves the right (up to 30 days before beginning of program) to:

- Cancel a course
- Change a course
- Change location of classes

If a student withdraws up to 1 day before beginning of the program, the student has the right to get a refund of the tuition fee.

Refund is not available for the pre-enrollment fee.

If NABA is responsible for course cancellation, NABA will refund the student twice what has been paid.

5. Enrolment to a course, together with the payment of the required enrollment fee, creates a binding agreement to follow the course and to pay the full fees. NABA reserves the right (excepting what’s stated on paragraphs 1-2-3) to dismiss or expel a student at any time for non-payment of fees or any other due amount, failure to meet the ongoing attendance requirement, late commencement of study and/or withdrawal from courses commenced under any circumstances (personal reason, health problem, family related problem...). No refunds will be granted to the student (including any prepaid fees or deposits) dismissed under this paragraph; the student must pay the total amount of the tuition and the academic contribution fee, with stipulated terms and deadlines.

However NABA reserves the right to grant a 30% refund (of the academic contribution fee and tuition fee) to the student enrolled in the 1st year, if withdrawal application is received within 60 days from the beginning of the course; therefore, the student must pay in any case 70% of the tuition fee and academic contribution fee.

6. Deferral of future academic years: in the event the student freezes his/her participation to the course within June 30, and defers to a future academic year, NABA reserves the right to require a payment of Euro 250 as suspension fee for each deferred year. Requests of deferral will be accepted for a maximum of 3 academic years. The tuition fee and the didactic contribution already paid by the student will be valid for the academic year of attendance. Whereas in the event the student decides not to continue his/her studies, the tuition fee and the didactic contribution already paid will not be refunded.

7. NABA reserves the right to use its discretion to determine number of courses and type of courses yearly set up for each program. NABA guarantees to enrolled students the minimum courses required to obtain the diploma as defined by MIUR

(Ministry of Education, University and Research) or any other present normative.

8. Subjects may change for academic purposes or for Ministerial reasons related to the AFAM reform system (AFAM is the system of “Alta Formazione Artistica e Musicale”, including all public and private Fine Arts and Music Academies recognized by the Ministry itself).

9. Classes will take place weekly, according to what is foreseen in the yearly academic calendar.

10. NABA programs are taught in Italian or in English. Students are required to submit evidence of their knowledge of the language according to the chosen program at matriculation time. Should the student not be able to submit one of the required certificates, NABA will test the student’s language knowledge (for English using the Laureate English level test) and will assign them their level. If the obtained level is below the required one, students will have to attend a specific remedial course - to be arranged with the Language Center - in order to reach the required level. Students not reaching the required language level - being an entry requirement, will be enrolled in the Diploma program. This fact does not represent just cause of unilateral withdrawal and the refusal of the student to accept the enrollment into the Diploma program will have consequences and effects in accordance with Articles 5 and/or 15.

Furthermore every student enrolled in an undergraduate course taught in Italian, who does not have one of the listed English certificates, has to sit the Laureate English test to assess their level of English. Test results are in line with the levels established by the European Framework of Reference for Languages. The result of the test will either grant them the credits for English or will place them at a level of English for which attendance to one or more courses will be required before graduation.

11. NABA guarantees to students access to educational areas for all the duration of classes as foreseen for the academic year, and for the number of hours necessary to complete the program. Further access to didactic structures is subject to didactic scheduling needs and logistic availability.

NABA will hold each and every right for taking advantage of the material and use it for economic purposes. Moreover, NABA will also have the right to use the material for any and all purposes such advertisements, promotion, internal policy, information, didactic research, educational projects etc... Consequently, NABA will hold each and every right to register the Intellectual Property Rights and copyrights in national, European and international registers, without prejudice to the student right to be recognized as author.

14. Enrolment fee and tuition fee do not include photocopies, lecture notes, colour printings, materials to be used for all project workshops, as well as computer rendering of the final thesis, participation to exhibits or contests.

15. Late payments of the tuition fee, or any of its instalments, will imply a fine of €50 up to 30 days delays and €100 for further

delay. However students are not allowed to enter classes until the time they pay the overdue amount. In case of late payment, the student's attendance will not be registered and this absence will not be justified.

16. In case of delay, NABA reserves the right to require the immediate payment of the outstanding amount, suspending or excluding from the program and from exams the defaulting student as well as to start the necessary legal action for retrieving the total amount including all expenses: interests, fines, legal billings and everything else as per art 15.

17. Students are expected to conduct themselves at all times in a manner which demonstrates respect for NABA and its staff, fellow students / delegates and property. Breaches of the Student Code of Conduct can amount to gross misconduct, which may lead to expulsion from study (without refund) and refund for damage property.

18. NABA reserves the right to seek compensation for any damages incurred by the student to the premises and equipment. The student is required to use them correctly and to respect the cleanliness of the premises and areas of common use.

19. It is forbidden to bring dogs and others animals on NABA campus.

20. NABA is not responsible under any condition for any object lost or property left unattended in the Academy structures. Students are expected to maintain areas and spaces cleaned.

22. First year Students residing within the EU for at least 3 years who will not present the family income documentation relating to the allocation of income bracket within the start of the courses, will be assigned automatically to the highest family income bracket. From 2nd and 3rd year, they need to present the whole fiscal documentation required in order to have their family income bracket evaluated and the relevant tuition fee determined accordingly. The deadline to submit the requested documentation is November 30 of each year. The new evaluation will be carried out within December, 31st. Students failing to deliver all documents by the established deadline will be assigned to the maximum income bracket.

23. Enrolment fee and tuition fee do not include the Graduation Thesis Fee of Euro 520,00 to be paid at the beginning of the 3rd year contextually to the registration to the program.

Additionally, a tax of € 90,84 (which may vary according to the Academic Diploma Regulation of the Academic Year of Graduation) for the Italian Agenzia delle Entrate (Internal

Revenue Service) will be requested in order to receive the Degree on parchment paper.

24. The enrollment of the student in possession of a foreign secondary school diploma is accepted upon the following conditions:

a) The awarded Diploma allows the access to the Academic course chosen by the student; this requirement is confirmed by the declaration of value of the foreign diploma and the official Italian translation of the original study title.

b) The foreign diploma has been awarded after the minimum number of years of education required by ministerial dispositions for enrolling to academic studies.

A Board of Examiners designed by the Chief Academic Officer will evaluate the validity of the Declaration of Value of the foreign secondary school Diploma. In case the Declaration of Value is not considered suitable by the Board, the student will be enrolled to the Diploma program Course (auditor) of the same course, without obtaining the academic formative credits and the 1st level Academic Bachelor degree (ref. Academy Didactic Regulations art. 21/2). In case the foreign diploma does not meet the requirements of the Italian Ministry of Education, this fact does not represent just cause of unilateral withdrawal and the refusal of the student to accept the enrollment into the Diploma program will have consequences and effects in accordance with Articles 5 and/or 16.

25. The enrolment to a Degree program is under the conditions that students have all the required papers to enter the country and live in Italy as per the Italian law in force during the Academic year in which the mentioned students want to study at NABA.

NABA is not responsible for the release of the permit to study in Italy and for the VISA, which will have to be obtained by the students themselves and at their expenses from the competent authorities.

Students are aware and agree that should they not be able to attend the chosen course for one of the reasons mentioned above or any other reasons, NABA has the rights to keep any sum paid to the academy in order to cover the up-to-then expenses. NABA has the right to claim for greater damages. If the course hasn't started yet, NABA commits itself to refund the fees already paid by the student (application fee excluded) only if VISA is rejected by the competent Authority and only if the student informs NABA by a written notification together with the rejection declaration issued by the Italian Embassy or Consulate.
