I AM SENDING THE FOLLOWING DOCUMENTS

- The present application form (pages 1,2, 3, 4)
- Curriculum Vitae/Resumé
- Copy of the passport
- English language certificate (IELTS 5.0 - only for Programmes in Italian language)
- Italian language certificate (B1.2 level according to CEFRL- only for Programmes in Italian language)
- Copy of the higher secondary school transcripts (translated in Italian or English*)
- University transcripts including all passed exams, the awarded credit points, subject area, final marks and date of passed exams (translated in Italian or English)*
- Programme description of the courses attended at the university (translated in Italian or English)
- a passport-sized photo
- Portfolio of projects
- Motivation letter

*Translation is not needed for documents written in English, French, or Spanish.

Upon confirmation of admission, I will send as soon as possible and, anyway, not later than the course beginning:

- Copy of the original higher secondary school diploma.
- Translation into Italian or English – made by a certified translator – of the original higher secondary school diploma (or substitute certificate) legalised by the competent authorities in the country whose educational system the title refers to.
- In case a national test or final exam is necessary to enter a higher education institution in the student’s country of origin, such test/exam is also mandatory for entering Italian BA programmes (Gao Kao and Yi Kao in China, ENEM in Brazil...).
- University transcripts including all passed exams, the awarded credit points, the subject area, final mark and date of passed exams, legalised by the competent authorities in the country where the university is registered.

PLEASE NOTICE THAT:

- 1) The recognition of credits for previous studies is based on an accurate analysis of the applicant’s programme by NABA Faculty. Regardless of the programme, a request for credits recognition can only be submitted once and during the application process. Any additional request will not be taken into consideration and it is not allowed to cancel a credit which has been recognised.
For this reason it is advisable to submit a transfer request when the applicant has completed the majority of courses/exams which are mostly related to one’s programme of interest at NABA. This will possibly increase the number of credits that can be recognised. In fact, it is not possible to consider the exams that the applicant will take in the future as part of the study path which he/she is attending.
- 2) The final official recognition of credits for previous studies and the confirmation of the enrollment in the 2nd or 3rd year of a NABA BA programme will take place after receiving the translation and legalization of the higher/senior secondary school diploma together with the university transcripts duly legalized by the competent authority.

Before submitting your application, please verify once more that you meet the general entry requirements in order to be eligible for admission to a Bachelor of Arts Degree Programme - Diploma Accademico di Primo Livello - leading to the award of an Academic Degree awarded by the Italian Ministry of University and Research worth 180 ECTS, which are:

1. PROCESS FOR AN EVALUATION OF THE PREVIOUS ACADEMIC CAREER

If you wish to enrol in the 2nd or 3rd year of one of NABA BA Programmes, having already completed a partial Academic career, please follow the procedure here below.

Previous credits and portfolio evaluation

NABA Faculty will make an accurate analysis of your previous university path and gained credits in comparison to NABA programmes. The more detailed are the transcripts and course descriptions you will submit, the faster NABA will inform you about how many credits and courses can be transferred.

Make then sure that you submit the following documents and provide the following information:

- Legal duration of the university programme
- Number of years/semesters completed
- Exams grading system: minimum and maximum marks on your university grading scale
- Calculation system of credits
- Number of schooling years completed before university enrolment
- Updated university transcripts including all passed exams, the awarded credit points, subject area, final marks and date of passed exams
- The programme description of the courses attended at the university
- University entrance examination passed if foreseen by the education system of your country (i.e. Gao Kao and Yi Kao in China, ENEM in Brazil, Selectividad in Spain...).

All documents must be submitted in the original language as well as officially translated into Italian or English language.

In addition to the credits evaluation, NABA will also require your portfolio of projects in order to complete the assessment.

2. LANGUAGE REQUIREMENTS

NABA Programmes are taught in Italian or English. Students are required to submit evidence of their knowledge of the language according to the chosen programme. The language certificate shall be submitted within one month before the beginning of the programme and should not be older than 2 years. The requested level for Italian is an intermediate level (complete B1+ according to CEFR).

Student can also take CILS, CELI, CERT.IT, PLIDA provided that the final result is equivalent to complete B1.

When preparing your portfolio of projects keep in mind that it is the presentation of yourself, of your previous academic and/or professional and/or amateurial experiences. There is no need to include many projects rather than a selection of your main works either academic or professional or amateurial that will let us understand your skills and potential. The portfolio will be assessed taking into account creativity, original ideas, layout, and technical skills.

Results

Once the assessment is complete, you will receive a feedback about the final result including credits recognition and year of enrolment within 15 working days. If the result is positive, the admission letter will be issued and sent to you.

NABA may offer you a conditional admission if you do not have yet submitted the requested language certificate (Level B1+), high school diploma as well as university transcripts officially translated and legalised.

If you are conditionally accepted, you will have to make sure you submit the missing documents by the course beginning.

Please be aware that:

- Admission to the 2nd or 3rd year of the course is at the discretion of NABA who will evaluate previous studies and portfolio.
- Regardless of the programme, a request for credits recognition can only be submitted once and during the application process. Any additional request will not be taken into consideration and it is not allowed to cancel a credit which has been recognised.
- It is not possible to consider the exams that the applicant will take after the evaluation of the student's previous academic career by the NABA Transfer Committee.

The final official recognition of credits for previous studies and the confirmation of the enrollment in the 2nd or 3rd year of a NABA BA programme will take place after receiving the legalization of both the original upper secondary school diploma and the university transcripts (with official translation in Italian/English language) by the competent authorities in the country where the documents were issued. 5.1 CONSULAR PROCEDURES

Students meeting the requirements listed at Point 5 are requested to:

A. Start the pre-enrolment process through the UniversItaly platform

UniversItaly is a website developed by the Italian Ministry of University and Research (MUR) with the aim of supporting students through their study experience in Italy.

The MUR established that all International non-European students willing to study in an Italian Academy or University should undertake the pre-enrolment procedures (a-bis) through UniversItaly.

The pre-enrolment will give you the possibility to study at NABA and allow you to obtain the study VISA from the Italian authorities.

Students are asked to pre-enrol and submit a copy of the passport, High school diploma and transcripts as well as university transcripts on the UniversItaly platform at <https://www.universitaly.it/index.php/>. Pre-enrolment applications are usually submitted between March and November of each year. **This procedure is MANDATORY.**

Usually it takes **90 days to get the study visa**, that's why we suggest you to start the procedure as soon as possible. **Make sure you do not miss this deadline or your study visa request will be refused for enrollment to Italian Universities/Academies.**

B. Legalization of the university transcripts

1) Legalization of the university transcripts including all passed exams, the awarded credit points, the subject area, final mark and date of passed exams (with official translation in Italian language) by the competent authorities in the country where the diploma was issued. Translation is not needed for documents written in English, French, or Spanish.

If you are not yet in Italy, the translation must be completed according to the rules set by the Italian Ministry of Foreign Affairs and International Cooperation (MAECI).

If you are in Italy you can go to a district court (tribunale) and have your documents translated by a sworn translator, who cannot be the person who holds the qualification or title (traduzione giurata).

2) In case a national test or final exam is necessary to enter a higher education institution in the student's country of origin, such test/exam is also mandatory for entering Italian BA programmes (Gao Kao and Yi Kao in China, ENEM in Brazil...).

6. ENTRY REQUIREMENTS FOR THE DIPLOMA PROGRAMMES

Students who lack prerequisite requirements for admission to the three-year Bachelor Degree Programmes can attend the same Programmes without gaining credits. Diploma Programmes have the same curricula and the same examinations as the BA Programmes, however they lead to the awarding of a NABA diploma and not degree. The entry requirements for the Diploma programmes are the following:

1) hold a secondary school diploma (having followed a period of study lasting at least 11 years)

2) pass the NABA admission test

3) demonstrate proficiency in the language of instruction

Non-European students choosing this format must in any case pre-enrol through the UniversItaly platform in order to get the study visa.

7. APPLICATION FOR A STUDY VISA TO ITALY (only for NON EU students)

To complete the pre-enrolment procedure with NABA, admitted students are requested to return the enrolment form and pay the pre-enrolment fee. For a complete list of Italian diplomatic authorities worldwide, please visit: <http://vistoperitalia.esteri.it>

* In case NABA needs some closure on student's secondary school diploma, the student must provide the Certificate for the equivalence of the qualification (Statement of Comparability) issued by the Italian Enic-Naric Centre – CIMEA <https://cimea.diplo-me.eu/cimea/#/auth/login>
