

FAQ DSU SCHOLARSHIP (*Diritto allo Studio Universitario - DSU*) A.Y. 2023/2024

What is the DSU Scholarship?

The expression “Diritto allo Studio” includes all the actions taken by NABA to provide equal access to university studies as foreseen by the Lombardy regional law n. 33, December 13, 2004.

The benefits are awarded through a competition, held **annually** on the basis of specific **financial** and **merit** requirements.

What are the necessary requirements?

Income-based requirements:

The financial status of the student will be identified based on the **Equivalent Financial Situation Indicator** for benefits provided within the scope of university financial aid (hereinafter also **ISEE**) as follows:

An Equivalent Financial Situation Indicator (ISEE) not exceeding **€ 24.335,11**;

An asset Status Index (ISPE*) not exceeding **€ 52.902,43**.

* ISPE (Equivalent Asset Situation Indicator) is calculated by dividing the amount of the ISP (Asset Situation Indicator) of the student's family by the coefficient of the equivalence scale corresponding to the family members. The ISP is determined by adding, for each family member, the value of the immovable assets and the value of the movable assets.

Both of the two above mentioned index ceilings are to be complied with; students will be deemed not to fulfil the income-related requirements if either of the two indexes exceeds the respective ceilings.

ISEE: is a value that enables the measurement of the financial situation of the student's family and which takes account of income, assets (movable and immovable) and household characteristics (by number and type).

→ **Assessment of status relating to income and assets of foreign students with their family residing abroad**

NABA DSU Office will determine the equivalent ISEE for foreign students having family residing abroad without income and assets in Italy.
