# ENROLMENT AT NABA

## Why opting for this solution

This opportunity will allow you to get two study titles:

- the one-year Academic Master's Degree (worth 60 CFA/ECTS) – Master Accademico di Primo Livello
- the two-year Master of Arts Degree (worth 120 CFA/ECTS) – Diploma Accademico di Secondo Livello – worldwide recognised and allowing to enter a field-related PHD programme

## After completing a Domus Academy Master, can I move directly to the NABA MA 2nd year?

If your Domus Academy master and the NABA MA you have selected are included in the fast track transfers, yes you can move directly to the second year. If not, you have to enroll to the NABA MA first year.

## How are my studies at Domus Academy affected by the following enrolment at NABA?

If you want to enrol to the NABA MA, your choice of the third Domus Academy workshop is limited.

Please check accurately the fast track transfer tables before making your choice.

## Can I be enrolled at the MA second year before the academic master graduation ceremony?

Yes, but only if:

- you have completed your internship
- you have acquired all the credits required from courses and workshops

## To which Domus Academy intake should I be enrolled to be allowed to transfer to the NABA MA 2nd year?

To September or October intakes of the previous year.

## CREDITS

### Are the whole 60 credits transferred?

No. Just some credits are transferred, according to the specific credits equivalence between the two programmes.

### What about the missing credits?

The fast track transfers summary reports the minimum amount of transferable credits, allowing you to enroll to the second year.

At the same time, you can ask for an interview with the Course Leader of the selected NABA MA degree.

S/He will evaluate your portfolio of projects and decide how to make you recover the missing credits:

– asking you a further development of the projects made at Domus Academy, and/or

– validating some more academic activities made at Domus Academy, that are considered consistent with NABA MA academic activities, and/or

– validating some more projects from your portfolio, that are considered consistent with NABA MA academic activities.

## Do I enroll to one academic year?

Yes, you enroll to one academic year (the second one of NABA MA).

## COURSES

### What kind of extra courses opportunities do I have while attending NABA?

You will have the possibility to participate to Erasmus/Exchange programmes, to add one more individual project, new conferences, and so on.

### Do I attend courses for two semesters?

You are expected to attend courses for the duration of two or three semesters, depending on the final amount of credits transferred and to be recovered.

## CURRICULUM

### Is my MA second year curriculum compliant with the standard ones?

Classes are the same. But your studyplan will be different, as you are required to integrate the standard studyplan with some courses that you shall recover.

## INTERNSHIP

### Can I repeat the internship?

No, as it was carried out during the Academic Master Course.
