1.3 PORTFOLIO OF PROJECTS

(Alternative option to the project assignment)

Creativity is not an abstract exercise, on the contrary, it requires the ability to contextualize and elaborate information and look for new solutions with an open spirit capable of listening and interacting with our environment. The goal of a successful portfolio is to tell a visual narrative of your passions, explorations and abilities.

All materials submitted should be clearly labeled with the applicant's name and contact information and cannot be returned.

Digital, paper or internet based works can be submitted.

Portfolios are reviewed on the following qualitative measures: aesthetic awareness, composition, drawing, design, colour perception, spatial perception, quality of presentation, technique and originality.

Favourable consideration is given to strong 2-D and 3-D work that shows fully rendered pieces, excellent craftsmanship, attention to technique, and original design.

Guidelines to portfolio preparation:

A portfolio of projects is the presentation of yourself, of your previous academic and/or professional and/or amateurial works. There is no need to include many projects rather a selection of your strongest works that will let us understand your skills and potentials.

What to include:

→ 5 to 10 projects divided into separate folders.

Submissions may include drawings, illustrations, paintings, computer graphic, design, printmaking, collage, photography, sculpture, jewellery, fashion, furniture or videos.

Each project should have a pdf description containing: title of the project, year of production, information if it is a project developed at school, on your own...

Digital formats:

- Photos, graphic projects, drawings, sketches: PDF (including fonts), JPG or PNG 300 dpi
- Websites: complete folder including html, css, images, swf, other. If it is online: please provide us with the url web
- Videos: MPEG4 or AVI

5. ENTRY REQUIREMENTS FOR THE BACHELOR OF ARTS DEGREE PROGRAMMES ACCORDING TO THE ITALIAN MINISTRY OF UNIVERSITY AND RESEARCH

To be eligible for admission to Italian universities/academies and therefore to be admitted into the NABA Bachelor of Arts Degree Programmes, the Italian Ministry of University and Research has set the following mandatory regulations. Students wishing to enrol in the three-year Bachelor of Arts Degree Programmes are required:

- to possess a **diploma equivalent to an Italian secondary school diploma** (maturità);
- the diploma must be translated into Italian and legalized by the competent authority in the country where the diploma was issued, regardless of the school's actual location. For example, the diploma of a German school which is located in France must be validated by the competent authority in Germany.*
- the foreign diploma must be obtained at the end of a period of study lasting at least 12 years;
- if the diploma was obtained after 10/11 years of education, it must be integrated with an additional 1 or 2 years of college or university; all exams must be passed and admission respectively to the second or third year of your university must be granted;
- the **International Baccalaureate** (IB) diploma is valid for admission to an Italian university;
- the International Baccalaureate "certificate" is not valid for admission to an Italian university;
- the **U.S. High School diploma** must be supplemented by **3 advanced placement** tests that relate to the chosen programme, or by 2 AP tests related to the chosen programme plus 1 AP test in Italian language and culture if applying for BA run in Italian language.
- **GCE diplomas** are valid only if they demonstrate obtaining at least 3 subjects at advanced level (full A levels/A2) related to the requested programme.
- In case a national test or final exam is necessary to enter a higher education institution in the student's country of origin, such test/exam is also mandatory for entering Italian BA programmes (Gao Kao and Yi Kao in China, Vestibular in Brazil...).

For any questions about the validity of your diploma, we kindly suggest that you contact the Italian Enic-Naric Centre – CIMEA in the country where your diploma was issued.

5.1 CONSULAR PROCEDURES

Students meeting the requirements listed at Point 5 are requested to contact the Italian Embassy or Consulate in order to:

A. ONLY FOR NON-EU PASSPORT HOLDERS

Start the pre-enrolment process through the UniversItaly platform

UniversItaly is a website developed by the Italian Ministry of University and Research (MUR) with the aim of supporting students through their study experience in Italy.

The MUR established that all International non-European students willing to study in an Italian Academy or University should undertake the pre-enrolment procedures (a-bis) through UniversItaly.

The pre-enrolment will give you the possibility to study at NABA and allow you to obtain the study VISA from the Italian authorities. Students are asked to pre-enrol and submit a copy of the passport, High school diploma and transcripts on the UniversItaly platform at <https://www.universitaly.it/first-steps>

Pre-enrolment applications are usually submitted between March and November of each year. **This procedure is MANDATORY.**

Usually it takes **90 days to get the study visa**, that is why we suggest you to start the procedure as soon as possible. **Make sure you do not miss this deadline or your study visa request will be refused for enrollment to Italian Universities/Academies.**

B. Legalization of the higher secondary school diploma

1) Legalization of the higher secondary school diploma (with official translation in Italian language) by the competent authorities in the country where the diploma was issued. Translation is not needed for documents written in English, French, or Spanish.

If you are not yet in Italy, the translation must be completed according to the rules set by the Italian Ministry of Foreign Affairs and International Cooperation (MAECI).

If you are in Italy you can go to a district court (tribunale) and have your documents translated by a sworn translator, who cannot be the person who holds the qualification or title (traduzione giurata).

2) **In case the local school system consists of less than 12 years of schooling before achieving the higher secondary school diploma, the following documents are also required:**

- legalized and translated university transcripts of one or two years, including exams and marks;
- certificate of completion of preparatory courses (Foundation Course) issued by Italian or foreign universities.

The legalized and translated documents will be issued directly to you. Please make sure you submit them to NABA International Admissions Office as soon as available together with a copy of the original higher secondary school diploma. In fact, your admission to NABA Bachelor of Arts Degree Programmes will be finalized once NABA.

6. ENTRY REQUIREMENTS FOR THE DIPLOMA PROGRAMMES

Students who lack prerequisite requirements for admission to the three-year Bachelor Degree Programmes can attend the same Programmes without gaining credits. Diploma Programmes have the same curricula and the same

examinations as the BA Programmes, however they lead to the awarding of a NABA diploma and not degree. The entry requirements for the Diploma programmes are the following:

- 1) hold a secondary school diploma (having followed a period of study lasting at least 11 years)
- 2) pass the NABA admission test
- 3) demonstrate proficiency in the language of instruction

Non-European students choosing this format must in any case pre-enrol through the UniversItaly platform in order to get the study visa.

7. APPLICATION FOR A STUDY VISA TO ITALY (only for NON EU students)

Non-European citizens must get an entry visa for enrolment to Italian Universities/Academies, called STUDIO per Immatricolazione Università - tipo D nazionale.

The visa must be requested to the Italian Diplomatic-Consular Representatives in the student country of residence. For a complete list of Italian diplomatic authorities worldwide, please visit: <http://vistoperitalia.esteri.it>

* In case NABA needs some closure on student's secondary school diploma, the student must provide the Certificate for the equivalence of the qualification (Statement of Comparability) issued by the Italian Enic-Naric Centre – CIMEA <https://cimea.diplo-me.eu/cimea/#/auth/login>
