"URBAN CARE"  
CALL FOR ENTRIES 2023

# NABA LAUNCHES "URBAN CARE" CALL FOR ENTRIES 2023

NABA wants to motivate young international talents eager to undertake an intensive summer study experience in Milan and Rome, by offering 20 half scholarships (50% of the tuition fee) for one of NABA's 2-week Summer Courses running from June to August 2023.

NABA Summer Courses provides students a condensed version of the most significant Academy's know-how: a complete overview on the contemporary topics within visual and applied arts. Students will have the chance to experiment with relevant project-based work, guided by a faculty of lecturers and professionals, with focus on Milan and Rome's cultural and artistic scenarios.

They are 2-week intensive programmes and experiences in the Areas of Communication and Graphic Design, Design, Fashion Design, Media Design and New Technologies, Visual Arts.

The Summer Courses have a duration of two full-immersion weeks, distributed over three summer sessions. It is possible to combine multiple modules, also from different periods, in a unique 2, 4 or 6 week-session, in order to experience NABA's interdisciplinary approach in all its value. With students from about 90 different countries, NABA community benefits from a broad diversity of cultures and ideas. Students can choose between Milan and Rome campus as well as a combined experience of the two cities.

Milan, a city in the heart of Europe with a dynamic creative system and internationally renowned excellences in the fashion, design and arts fields.

Rome, the Eternal city with its unique historical heritage combined with a contemporary artistic and cultural production in a constant dialogue among past, present and future. In both cities, students will have an unequalled opportunity not just to learn design, fashion and communication, but also to immerse themselves in a vibrant, stimulating creative culture that will be an asset to their education and professional experience.

## Competition brief "URBAN CARE"

Get out of your home, activate your senses, watch, listen, photograph and document the city/country where you live.

Ask yourself what of your city/country can be transformed through a non-invasive but inclusive artistic work.

Get inspired from the ancient art of Kintsugi and design through collages, drawings, videos, an urban art project.

*Look for inspiration: "EMEMEM, Street Artist".*

## What is it?
