English language proficiency (B2 or higher) - if you choose the English track  
Italian language proficiency (B2 or higher) - if you choose the Italian track  
*No specific certificate required, for clarifications please get in contact with NABA International Exchanges Office*

Please take into account that from the academic year 2021/22 the Italian Ministry of University and Research (MUR) has set a new regulation for non-European students willing to come to study in Italy. For this reason, we need to receive also a language certification, among the other documents required in the application form, attesting the English or Italian level of the students (according to the track chosen). Please notice that if students do not have any linguistic certification and they are accepted for an exchange programme in NABA, they may get in contact with NABA International Students and Exchange Programmes Office for further support.
