Course Structure: 45 hours – 9 lesson days

ECTS: 3 ECTS credits*

Introductory level

*ECTS credits only awarded to university students or participants who are completing or have completed a university or academic study path

COURSE DESCRIPTION

The course focuses on illustration and how to create an effective image for different professional purposes. Alternating lectures and practical workshops, students will be able to learn different techniques, processes and approaches.

COURSE OBJECTIVES

The main objective of the course is to make students aware of all the areas in which illustration can be applied, and to provide them the tools to create fascinating handmade images.

ADMISSION REQUIREMENTS

This course is intended for students who have no background in illustration and who are attending or will attend their first year of university studies in art and design.

Students are required to have some basic drawing skills.

OUTPUT

By the end of the course, each student will have a portfolio of illustrations - whose number may vary from 4 to 6, depending on the students' level.

The illustrations will concern publishing as book covers or film posters, children books or animation (characters and background design).

LIST OF MATERIALS AND TOOLS

- Sketchbook.

Contacts

Hand Illustration

- Watercolor pencils.
- Stationery.

ATTENDANCE POLICY

Class attendance is required for successful completion of the course. Attendance will be taken every class period. On the last day of classes, instructors will issue a Certificate of successful attendance only to all students who completed at least 80% of the course.

COURSE POLICY

The Faculty of NABA takes Academic integrity seriously. Instances of academic dishonesty such as plagiarism won't be tolerated. Mobile phones will be kept switched off all the time during class. Use of laptop during classes for personal purposes is forbidden.

TEACHING METHODS

Learning by doing: a mix of theoretical lessons and practical workshops.
