Italian interior design (introduction level)

COURSE TEACHER

Davide Gallina

COURSE DESCRIPTION

A full-immersion course that will provide students with an overview of the Italian design methodology. Students will be introduced to the analysis of the elements of space, and they will have the opportunity to focus specifically on interior design, and to dive into intensive project works. Students will use lifestyle, art and design research in Rome to develop an interior space plan.

The Italian way of living.

Gio Ponti, the iconic Italian designer, taught us and still teaches us what it means to live in Italian way. There are elements that characterize Italian housing projects.

The course talks about the Italian way of living, its elements, the traditions that enter the housing set but we try to explore also how the house project has changed over time.

A path to design the contemporary Italian home; a eating, talking, sleeping and working home.

COURSE OBJECTIVES

the course focus is to give the design skills starting from the analysis of the context, the concept and project definition. Another important goal is to create a personal way to visualize the project.

ADMISSION REQUIREMENTS

This course is intended for students without any academic background in the specific subject area and for students attending their first year of university studies in Art and Design.

OUTPUT

The course goal is to create a defined home project that explain a communicative idea about the Italian way of living.
